

WEST DENTAL IMPLANTS
&
PROSTHETICS

PAYMENT POLICY

Payment, in full, is expected at the time of service. We accept cash, check, visa, mastercard and discover.

As a courtesy to our patients that have dental insurance we will submit a claim for services rendered. Since we do ask for payment at the time of service, we will indicate your payment on the claim so the insurance company will reimburse you directly.

All accounts with balances over 90 days will be assessed a finance charge and is subject to collection by an outside agency.

We do not have the experience or expertise to be a lending institution but we do realize that there are circumstances that would make it easier for some to extend their payment over 120 days. In that case, we do require 50% at the time of service and the balance over 3 months. **Arrangements do need to be made before the services begin.**

We do understand that appointments are given in good faith. Should you find that you are unable to keep your appointment, please give us the courtesy of **48 hours notice** to ensure that someone else will be able to utilize that time. **There will be a fee assessed for missed appointments.**
